

Parish Maintenance Schedule - 2023

Refer to schedule map. (attached).

1. Railway line walk- single cut (approximately 18" width) on both sides of the path between play area, Water Lane to Pope Mill bridge monthly between April and September. Brush and overhanging weeds nettles etc. to be strimmed back annually in September.
2. Play area, Water Lane. Grass to be cut monthly between April and September unless otherwise requested.
3. Roadside verge along A1017. South side between Church Walk and opposite Red Lion public house. Single cut of grass (approximately 18" width) monthly between April and September.
4. Roadside verge along A1017. North side from Crunch Croft entrance westward to the pedestrian crossing. Grass to be cut monthly between April and September. Care taken to preserve groups of wild flowers.
5. "Sturmer" Village Gateways. Rowley Hill to west of village and A1017 to east of village near Pit Lane. Mow or strim grass around gateways to ensure visibility of sign monthly between April and September.
6. Strim behind railings in Pocket Park when required.

All of the above may be subject to variations in climate change and weather conditions.
