

PRIVACY POLICY

Your privacy is important to us. Like many other websites, this site automatically collects certain information about your computer hardware and software, which cannot be used to identify you, during your visit. This information may include: your IP address, browser type, operating system, domain names, access times and referring website addresses. This information is used only for system and website administration and to provide general statistics regarding use of this website. If you contact us by email, we will not pass your details to anyone else, unless required to do so by law.

COOKIES

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

We use a cookie to make our website work - PHPSESSID - a session cookie which expires after leaving the site.

There is no way to prevent this cookie being set other than to not use our site.

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.aboutcookies.org or www.allaboutcookies.org.

LINKS

This website contains links to other external websites. Please be aware that we are not responsible for the privacy practices of such other sites. We encourage you to be aware of this when you leave our site and to read the privacy statements of each and every website that collects personally identifiable information.
