**Returns/Cancellation Policy**

**Unwanted items Under 30 Days** You can cancel your order. Please ensure goods are returned to store unused and in a saleable condition with their original packaging.

**Faulty Items under 30 Days** If an item becomes faulty within 30 days from the date of purchase, then you have a legal right to reject the goods and receive a full refund.

**Faulty Items over 30 Days** Depending on the circumstances, your statutory rights entitle you to a repair, replacement or refund. We only offer a refund when we are unable to offer a repair or an equivalent replacement. Drop it off at your nearest store or contact us to arrange. In addition, check if the manufacturer offers a helpline, repair or warranty service or a collect & repair service.

**How to return items** The quickest way to return an item and get an exchange or refund is to take it to your nearest Screwfix store. If you are not able to return an item to store you can return it by post to Screwfix, iForce, DC4 Hurricane Close, Stafford ST16 1GZ. See [www.screwfix.com/returns](http://www.screwfix.com/returns) to print out a returns label and for more returns information.

**Boilers** You cannot return unwanted boilers where the product box/packaging has been opened.

**General** Please return items with all components and any promotional extras. Remember to drain any fuel or oil from products before returning them. Certain items are excluded from the 30 day unwanted items return (including goods that are made to measure, cut or mixed to your requirements, and used macerators, toilets or water pumps). These are marked in our catalogue or online. Post office return is not available for items over 1m in length or 2kg in weight - for these items please contact us for further advice. If your product is powered by lithium batteries please return your purchase to a store due to road transport regulations. We also offer a carrier pick up service, however this may incur a charge (max of £20.00) unless you have a right to reject goods or to a repair or a replacement as a result of goods being faulty. For products delivered direct from our suppliers, please call us. Full details of our returns policy can be found at [www.screwfix.com/returns](http://www.screwfix.com/returns) or by contacting us.
